The Friday evening coaching sessions will be run by a number of ECB Level 2 Qualified Coaches and will follow a structured 9 week coaching programme covering all aspects of cricket.

Each week will be dedicated to a particular set of skills and will be appropriate for players of all abilities, whether it be those just starting out in the game or those that are hoping to break into representative teams or the senior cricket teams.

The cost of the Friday evening coaching programme is £20.00 if paid for in advance. If you choose to pay on a session by session basis then the cost will be £3.00 per session although a place can not be guaranteed.

Sessions are only available to players in the U11 - U17 age groups that have paid their yearly subscription fees and returned their membership form.*

For U17's only there will be additional coaching throughout the rest of the Summer on a day yet to be decided. The U17's will be managed by Kevin Dolan and have entered the U17 Mid Bucks League with additional fixtures to be arranged.

The club have also entered Bucks Competitions at U11 & U14 age groups, with matches starting in May.
